Fairmont (Apr 25-27, 2014)

The date for booking rooms has been extended to **March 11, 2014**. I have booked a suite to be used as a hospitality suite (Usual one at end of old wing). Everyone coming should book a room using Reservation Group # 750309, Their Toll Free number is 1-800-663-4979. Currently we have 7 Gyros registered and we would like to have 15 or so. Please act promptly so we can plan a meaningful program.

Gyro International Interim

There was a motion put forward to cap dues payment at 75 members per club by District I for the Cincinnati club who have 165 members. The motion was defeated unanimously because the Governors felt that dues should be an individual assessment, not a club assessment, and that all Gyros should be treated equally.

The main thrust of the rest of the meetings was about membership and how we can increase it. Many ideas were generated and have started to make their way to Club executives. The long and the short of it is that we should all invite someone to Gyro.

Wallace Convention (June 15 -22, 2014)

The Wallace Convention is getting filled up but if you haven't booked your room yet you can still phone 1-800-643-2386 for help.

If you haven't received the Registration form go to the Wallace website to download it. <http://www.wallacegyro.com/>

Participation

Have you invited a friend to Gyro lately? Have you thought about what you can do for Gyro? Don't be sedentary!

Thought of the day

Whatever you are be a good one.
